ELK RIVER HIGH SCHOOL
With a mission to educate, inspire and empower our diverse learners, Elk River High School (ERHS) provides each of our students unique and personal pathways for their future success in college and career.

THERE’S A PLACE FOR YOU
People thrive when they feel connected, supported and affirmed. Our high quality, energetic staff and students provide a welcoming environment for you to succeed.

COLLEGE & CAREER PREP HIGH SCHOOL
For those on the fast track, more than 40 college credit eligible courses are available through programs such as Advanced Placement and College in the Schools, along with partnerships with the University of Minnesota and St. Cloud State University.

1:1 RELATIONSHIPS
Teachers develop 1:1 relationships to support students via an advisory class, meeting weekly in small groups, checking on academic progress and assisting with students’ college and career preparation. Student academic success is addressed through screening, intervention, followed by progress monitoring. Additional programs offer personalized teaching and delivery, assistance with core schoolwork and 1:1 or small group instruction.

COMMUNITY SERVICE
Each year, Elk River High School students contribute to our local and global communities. Service learning is incorporated into class curriculum, as well as in activity and athletic programs, translating to over 10,000 service hours per year!

AVID (ADVANCEMENT VIA INDIVIDUAL DETERMINATION)
For the past 6 years, ERHS has utilized AVID instructional strategies to provide students a personal pathway for future success in college and career. AVID is an effective way to implement one of our core values: Everyone can learn.

RESULTS DRIVEN
Here at Elk River High School, students are performing well above the state average on standardized tests, college entrance examinations and Advanced Placement targets. ERHS outperforms the surrounding school districts and charter schools in state assessments measuring academic proficiency in math, science and reading.

$92,000 or 133 SCHOLARSHIPS
NATIONAL MERIT SCHOLARS
On average, ERHS has 3 students annually ranked as National Merit Scholars and 16 students ranked as National Merit Scholarship Semifinalists.

95% of students received passing AP Calculus Scores & 66.33% of students received a perfect 5 AP score. State average is 26.5%.
A PERSONAL EDUCATION FOR A PATH TO SUCCESS
ERHS students have access to staff who work on everything from class registration to career or college preparation. Our counseling team guides students from freshman year to graduation along individual learning paths, and career specialists help students prepare for their future. Instructional specialists, social workers, a multi-cultural liaison and a special services coordinator are all available to help assure students succeed at ERHS.

1:1 TECHNOLOGY FOR ALL STUDENTS
With a commitment to technology as an educational tool, Elk River High School integrates 1:1 technology into everyday learning. Each student has a personal Chromebook and access to Schoology, an online learning center. Digital learning puts students on their own “connected” personal path to success via modern efficiencies providing 24/7 access to online texts, class assignments, schedules and study aids for in-class experiences.

Technology connects parents too! Parents can track everything from class grades, to a student’s schedule, to funds for lunch and activities.

Elk River High students also have access to the district’s online public high school. Online728 provides a high-quality, virtual learning experience, personalized for students seeking flexibility in their schedules. Courses are facilitated by ERHS teachers, and all students have on-site teachers and access to the Drop-in-Center available for instructional support, an amenity other schools do not currently offer.

STATE OF THE ARTS
Elk River High School is 1 of 4 regional centers for the state’s highly acclaimed Perpich Center for the Arts.

ERHS’ award winning art department has earned accolades at local, state and even national levels working with a variety of media.

The high school also offers AP Studio Art for our most advanced art students.
ACTIVE STUDENTS ARE LEADERS IN LEARNING

Students looking to broaden their educational experience via clubs, academics and athletics have hundreds of options at their fingertips at Elk River High School.

Elk River High School is home to a state and national award-winning culinary program, including a student-operated café in the school. Our state and nationally recognized DECA students manage an on-campus spirit store.

Our drama students continually conduct community productions at the Zabee Theater, and our jazz musicians perform across the country.

CLUBS

DECA, Math League, Knowledge Bowl, Robotics and Speech are just a few of the wide array of clubs available to Elk River High School students. Our clubs provide a personalized experience for students while preparing them for college and career.

STEM (SCIENCE, TECHNOLOGY, ENGINEERING, MATH)

Project Lead the Way is the centerpiece of our science, technology, engineering and math programs and helps our students develop skills needed for the 21st century. The engineering component also introduces students to the future of 3D software by utilizing our very own 3D printer!

ATHLETICS

Elk River High School’s tradition of excellence includes athletics, with over 55 sports and activities options available to students.

ERHS is a member of the Northwest Suburban Conference, and our athletic teams have claimed 8 state team championships in a variety of sports.
