Student School Day: 9:05 a.m. to 3:45 p.m.

 **Principal:** Phil Schreifels

About Rogers Elementary

- » Rogers Elementary serves students from early education through 5th grade and is 1 of 9 elementary schools in ISD 728.
- » Located in the heart of Rogers, the school serves students from the Rogers community, including the former Hassan Township area.
- » Students live up to the district's mission in order to shape their future, accomplish dreams and contribute positively to local and global communities.
- » Rogers Elementary is home to ISD 728's only elementary level STEM Program for students in grades three through five. The program, which is part of the Northwest Suburban Integration School District program, integrates science, technology, engineering and math lessons in to the curriculum on a daily basis, with a focus on engineering that is exciting, challenging, and relevant.
- » Home of the Rockets

Rogers Highlights

- » STEM Program application/registration is open mid-Oct. through end of Dec. with lotteries taking place beginning of January. Those living within RES boundaries are given priority for this programming.
- » An active PTO raises funds for the school through annual activities such as book fairs and multiple donations of books to RES students.
- » Student safety a focus with safe routes to school, safety patrols on the bus and patrols for walkers each day.
- » Technology rich school with a high ratio of devices per students, including iPads and Chromebooks. Also SMART boards in each room.
- » Diverse learning opportunities include a cultural liaison, Native American studies and other multi-cultural activities.

Enrollment

 **740** students |  **25.1** average class size
