Communication from
the Charity Committee

March 16th, 2021

Whomever it may concern,

As a due representative of Sherburne Lodge No 95, I am pleased to announce that we are once again seeking candidates which will be considered for the “2021 James C. LaRock Memorial Scholarship” to be granted to local students who will be attending a post-secondary school after graduation. We also want to encourage students to apply that are already in college or trade school.

Successful candidates will be well deserving, morally upright pupils who excel in the classroom and are active in the community.

Please distribute the attached application form to potential candidates within the school which you are employed. They need to be mailed to our local lodge for consideration to PO Box 192, Osseo, MN 55369. You can also call me to make arrangements to hand deliver.

The deadline for applications is April 16th, 2021 at which time our Charity Committee will review the applications and present their recommendation to the lodge for approval.

Please enclose, along with the application form, the following:

- 1) Letter of Recommendation Written by a teacher, counselor, employer, coach, or the like.
- 2) One page essay explaining why you should be awarded the scholarship. This is your chance to explain why you are most deserving and/or could benefit most from our scholarship. Also, include your field of interest in this essay.
- 3) Acceptance letter from college or trade school you will be attending. If you have applied to college or trade school and been accepted and have not yet received your acceptance letter, please explain the circumstances on the essay.

All applicants will be notified as to whether or not they will be awarded a scholarship and the amount once the selection process is complete and approved by the lodge.

Please contact me with any questions.

Sincerely,

Worshipful Brother Andrew Crook
Scholarship Committee Chairman
