

DID YOU TAKE A COLLEGE COURSE WHILE YOU WERE A STUDENT AT RHS?

If you want to attempt to transfer the college credits to your college, you must request an official transcript directly from Pine Technical & Community College, St Cloud State University or Univ. of MN-Twin Cities. Follow the directions below to request that a transcript be sent directly to your college.

Pine Technical College & St. Cloud State University (Fee is charged for Official Transcripts)

Pine Technical College and St Cloud State are part of the MnSCU system. You will need your Student/Tech ID or Social Security # to complete your order (student # can be found by logging into eServices). If you are planning to attend one of the MnSCU colleges/universities, you do not have to order transcripts. Simply notify the college you are enrolling in and the college can access the transcript automatically.
