** Blended and Online courses require a high level of independence and maturity on the student's part. Please be aware that these courses are as rigorous as the face to face classes and require more discipline on the student's part to be successful. All classes are subject to registration numbers and some classes may not run due to low enrollment.*

PSEO: If you are considering taking PSEO courses for the first time, you and your parent should attend the PSEO/College Credit Options meeting on **Monday, December 9th at 6:30 PM in the RHS Media Center.**
