

RHS Distance Learning and Hybrid Learning Helpful Tips

Get Up, Show Up and Participate in School EVERY DAY- Either Face to Face or Virtually

Attendance is the #1 school success factor!

Distance Learning - On days when you are NOT in school (including FRIDAY!):

- Log into Schoology & Infinite Campus
- Self-report your attendance for every class
- Check your email daily
- Plan your day using information from Schoology:

→ Check-in on all of your classes remotely: is there a live Google Meet today? If so, JOIN and PARTICIPATE! Complete any videos, assignments, and/or projects that are posted.

Face-to-Face Days:

- Get to school on time

→ Report to your classes; engage and use this opportunity to ask questions or get clarification on items that are more difficult to do at home.

Establish Routines

- Go to bed (*plug in your Chromebook!*) and wake up at around the same time each day of the week, regardless if you are going to school or logging in from home
- If you are a Hybrid student your routine may look different on your face to face day compared to your distance learning day. Develop a plan for both models and stick to it!
- Run your day at home similar to school
 - Work 45-50 minutes then take a ten-minute break and walk
 - An example schedule for home: [Sample DL Day Schedule](#)
 - Repeat for each class and plan a 30-minute break for lunch
