

# **PARENT ADVISORY COUNCIL PAC**

## **1st Thursday of the Month**

Please join the Otsego Parent Advisory Council (PAC) the 1st Thursday of every month in the media center. Free childcare is provided. We are a board made up of four parents with children attending Otsego Elementary School and the parent liaison. Our meetings last one hour and are typically attended by parents, staff, and the principal. We discuss what is going on in the school and district as well as our school events such as; OES Carnival, Bingo for Books, and our very popular Mom's night out at POUR. We are always looking for more parent input and new members. We try to keep our meetings casual and informative. Our first meeting is Thursday, September 8th at 7:00 PM. We look forward to seeing you there!

Sincerely,  
Otsego PAC
