**DINNER of the MONTH**

Late getting home from work? Kids have after school activities? No time to cook dinner? No problem!
Grab dinner and go while supporting Rogers High School. The 2nd Monday of every month visit a different local restaurant, and proceeds will go directly back to RHS! Make sure you mention the promotion.

**Dairy Queen (Rogers Location)**
Monday, October 14th, 4:00-7:00pm
10% of proceeds go back to RHS! (See page 3)

---

**Progress Grades** for 1st Semester
Parents may view 1st progress grades for 1st semester on Parent Portal on October 25th. Report cards are no longer mailed out, unless a written request is made to the Guidance Office.

**Out of Storage Space?**

Let the RHS Construction students help you!

To provide abundant storage space, sheds are available in two sizes: 8’ wide X 12’ deep or 10’ wide X 12’ deep. Shed walls are 8’ high and include a 36” X 36” white vinyl clad window, a 6’ x 7’ white roll up metal door, architectural roof shingles, cedar trim, and textured LP Smartboard Siding that will allow you to paint the shed any color you choose. This means you have ample light and a door large enough for your riding lawn mower, patio furniture, and other seasonal items.

The construction course is a 2nd semester class, shed construction will begin in late January / early February 2020.

If you are interested in having a shed built, contact Jessica Zoubek at Jessica.zoubek@isd728.org or Dirk Udee, RHS Construction Instructor, at dirk.udee@isd728.org. Thank you for supporting the RHS Construction program and our RHS Construction Students!

RHS Parent Education Seminars

Jennifer Knapp from Rise Therapy, MS, LMFT, Licensed Professional Clinical Counselor, is again hosting Parent Education Seminars at Rogers High School in the Media Center. Jennifer creates opportunities for parents to learn how to talk with their adolescents about difficult and important topics. The interactive seminars are typically held on the 2nd Thursday of each month. These are applicable for middle and high school parents. The first seminar is October 10th, 5:30 pm to 7:00 pm and is titled "What to Expect From Your Teens and How to Stay Connected." We will discuss typical adolescent development, what the heck is going on with them, and how to navigate the rapid and sometimes confusing emotional and behavioral changes that occur. We will explore healthy behaviors and what may be red flags for needing additional support. We will especially focus on how to stay connected and communicate with your teen, reasonable expectations, and ways to not end up in a constant power struggle or battle with your teens.

Testing Opportunities

There are many testing opportunities at Rogers High School. Some are required, while others are optional. Please use the links below to learn more about the different exams, resources and registration information.

**ACT (Juniors)**

All Juniors will be taking the ACT for FREE on Tuesday, March 24, 2020, and are automatically registered for the test by the school district. No online registration for this test date. Click [here](#) for further information on additional ACT testing opportunities. See [ACT website](#) for registration deadlines.

**Practice ACT (Juniors)**

On February 29, 2020 students will have the opportunity to take a practice test designed to prepare them to take the ACT and attend a four-year college. The practice test is open to any student, but juniors are encouraged to take this exam to help prepare for the official ACT they will take on March 24th, 2020. Click [here](#) for further information. Deadline for registration is January 31, 2020.

**PreACT (Sophomores Only)**

On March 24, 2020, 10th grade students will have a Digital Learning Day. One of their options will be to take the PreACT exam at Rogers High School for a fee. Click [here](#) for further information.

**PSAT (Juniors)**

The PSAT is a preliminary SAT test available to any 10th or 11th grader. The target audience is interested juniors, but sophomores may also take the test. Please click [here](#) for further information. Registration is closed.

**ASVAB (Juniors & Seniors)**

The ASVAB is a multiple aptitude test designed to measure developed abilities and help predict future academic and occupational success. Please click [here](#) for further information. **Deadline for registration is October 16.**

**Big Changes to Advanced Placement Exam Registration 2019-2020**

This year there are several big changes to AP registration including online registration, fall registration, and a $2 fee increase. Students who wish to take the AP exam must register by October 25, 2019. (Except for AP US Government, which meets only spring semester and has a registration due date of February 15, 2020.) Students who register after these dates but before March 5, 2020 will incur an additional $40 late fee.

Two steps to AP registration:

1) Students who wish to take an AP exam must first create a College Board account online and enroll in the course related to the test that they wish to take. Most students have already completed this step.

2) Students complete their registration in one of two ways: by paying the fees assigned on Revtrak, or by having these fees waived by contacting Jessica Zoubek (jessica.zoubek@isd728.org) in the office and notifying her of eligibility for free/reduced lunch or completing the paperwork to obtain eligibility.

The final big change for AP 2019-2020 was an eleventh-hour adjustment to the exam fee. While the College Board kept fees the same, the Minnesota Department of Education sent an email on September 10, notifying schools that there would be a $2 reduction in the subsidy for each test. Because high schools in the district had already begun collecting fees, students who paid the original exam fee on Revtrak will see a new $2 fee which must also be paid before October 25. Students who hadn’t yet paid had their fee changed to $56, the new cost of the test.

Students with disabilities who need testing accommodations should contact Anne Bartus (anne.bartus@isd728.org) before the registration deadline.

Questions about registering for an AP Exam? Please email the AP Coordinator, Shane Noecker (shane.noecker@isd728.org).
