

COOL JOBS TOUR

Today's healthcare careers including alternative medicine, medical assisting, and dentistry are about advanced technologies, state of the art facilities, and fast-paced, interesting work environments. But most of all, these careers are for people who want to help others feel better.

TOUR LOCAL HEALTHCARE BUSINESSES AND SEE FOR YOURSELF . . .

- the variety of career opportunities available at local companies (wages, job skills, responsibilities)
- how to build the knowledge and skills needed to qualify for today's healthcare jobs
- behind the scene look at the modern healthcare organizations located in our community
