

EdVenture Club-Discovery Learning childcare is a year-round program for preschool students enrolled in Discovery Learning Preschool and offers both full-time and part-time options during the summer.

EdVenture Club-Discovery Learning Summer provides childcare in addition to fun projects, hands-on learning and recreational activities while strengthening relationships in a structured, caring environment. Full-time allows your child to attend our program five days a week from 7:00am-5:30pm. Part-time allows you to plan your child's care around your schedule. Snacks will be provided in the morning and afternoon. Students will need to bring a lunch each day.
