

Schedule and Payment Deadlines

EdVenture Club 20-21 School Year

- Unless otherwise noted, deadlines are 11:59pm on the dates listed below.
- Unless otherwise noted, schedules are due on Mondays of the week before planned attendance. Schedules submitted after this deadline are subject to a \$20 late scheduling fee, if approved.
- Schedule change requests are due on Wednesdays of the week before planned attendance. Requests for additional days of care will be added to a waiting list. You will be notified via email if the site can accommodate your request.
- The registration system may allow you to submit new schedules and change requests past these deadlines. ***ALL NEW SCHEDULES AND CHANGE REQUESTS ARE PENDING UNTIL YOU RECEIVE A CONFIRMATION EMAIL STATING THAT THE SCHEDULE HAS BEEN APPROVED.***
- Childcare accounts are invoiced on Thursdays for the upcoming week of care. You will receive an email once invoices have been processed.
- Payments are due on Fridays. Automatic payments are processed in the morning. If you have opted out of automatic payments, you must log in to your Eleyo childcare account and submit payment online by 11:59pm on Friday.
- You may schedule for more than one week of care at a time, up to the full school year. Regardless of the number of weeks that you have scheduled, your childcare account will continue to be invoiced weekly, and the schedule change request and weekly payment deadlines below apply.
- Families receiving County Childcare Assistance will be invoiced on an alternative schedule and will have different payment dues dates. You will be provided with a schedule prior to the start of school.
