

School Bus Transportation FORM GUIDELINES

Bus transportation is a privilege that can be lost if behavior is unacceptable on the bus or at the bus stop. MN Statute 123.B.

Please review these guidelines to ensure safe transportation for all eligible students. More information is available online at www.isd728.org/transportation.

Daycare

All students in daycare are required to have a Transportation Form on file with the school of attendance and Vision of Elk River, Inc. This information is used to assign bus stops and for notification in case of an emergency.

Students cannot be transported to or from daycare sites that are outside the school attendance zone.

The Transportation Form must be completed and in the hands of the school or Vision by **August 1**. There is no guarantee that we can accommodate daycare transportation once routes have been set for the start of school.

Daycare Application Procedure

- » **Grades 1-5:** Bussing will remain the same as previous year.
- » **Grades 6th-12:** Student's bussing information will revert to home address. Daycare needs will need to be communicated if needed. If the daycare situation changes in the course of the school year, a new daycare form must be submitted to enact the change.
- » Daycare change requests must allow 5 days before the change can take effect.

Bus Stop Locations

It is impossible to locate a bus stop within sight of every home and daycare provider. As a general policy we locate bus stops at corner intersections. For safety reasons we limit house stops and mid-block stops. We do not drive into cul-de-sacs unless distance requires it.

It is the responsibility of the parent/guardian or daycare provider to escort students to and from the bus stop.

Home to bus stop distances: up to ¼ mile for Grades K-5, up to ½ mile for Grades 6-12.

Bus Stop Assignment

For reasons of safety and security, students are allowed only one designated bus stop in the morning and one designated bus stop in the afternoon. Multiple pick-up or drop-off spots are not permitted. A variable schedule is also not permitted. Transportation policy permits just one morning and one afternoon stop, with the same stop(s) 5 days a week.

Bus Stop Changes

Vision of Elk River, Inc. must authorize any proposed changes to a student's bus riding assignment or bus stop assignment. Bus drivers are not allowed to make changes to the bus stop location or the pick-up time. Bus stop change requests must be made directly to Vision at colleen.smith@visionmidwest.com.

Bus Stop Behavior

We urge parents and daycare providers to supervise students at the bus stops. **Unsupervised students are the cause of many bus stop problems and complaints.**

Bus Safety and Discipline

School district policy on bus safety and discipline is available on the district website. The policy, rules and guidelines are reviewed by the teachers each year and are handed out by the bus drivers. Please review these safety and discipline rules with your students.

Bus Scheduling

Under normal circumstances, students should be at their assigned bus stops at least 5 minutes before the scheduled arrival of their buses. It is not unusual for buses to be 20 minutes late or later during the first 2 weeks of school. This time lag is usually self-correcting shortly after the start of school. We request patience during this period of time. Buses may also run late due to rain, snow, ice, fog or traffic conditions. If a bus is running late the bus will complete the route nonetheless and stop at every stop.

Non-transported Walk Zones

There are designated walk zones around schools throughout the school district. If a student lives within the designated walk zone, he or she is not eligible for bus transportation.

Emergency Change Requests

All temporary changes in a student's assigned bus or designated bus stop can be approved only by Vision of Elk River, Inc., and will be approved only in cases of family emergency.

Students are not allowed to change bus assignments or bus stops to attend social events, lessons, jobs, parties or other nonemergency activities.
