Please be aware that you will need to sign your child up for one week of required free summer band lessons (unless they already play their instrument). If your child would like to sign up for summer lessons, but cannot attend either of the offered sessions, please contact Mr. Rauen about possible private lessons with instructors who can provide the five beginner lessons (for a fee).

## Instrument Selection

Selecting an instrument that best fits your child is important. It is very important that he/she produce the correct tone with reasonable ease. Students who find it difficult to do so end up struggling, which often leads to a decline in interest. Sometimes producing the correct sound does not happen on an instrument that is your child's first choice. This is why we ask every student to list **three different** choices (unless your child already plays their instrument. Every attempt will be made to see if the first choice fits. In those situations where it doesn't, the second or third choice may end up being recommended.

Please keep in mind that there is a limit to how many students may play percussion in the band. This limit is 10% of the total band enrollment. Students interested in percussion will have additional "hands on" assessments. Keep in mind that having piano experience is not required, however, those with it will have an advantage. Those that do not make it into the section will automatically be given their second choice. **ALL percussion students MUST have a positive attitude about learning the BELLS! The window to sign up for percussion will close on April 15<sup>th</sup>. Students who sign up after this date will need to choose a different instrument.**

Please circle 3 DIFFERENT choices:

1 <sup>st</sup> Choice:	flute	clarinet	saxophone	trumpet	trombone	baritone	bells and snare
2 <sup>nd</sup> Choice:	flute	clarinet	saxophone	trumpet	trombone	baritone	bells and snare
3 <sup>rd</sup> Choice:	flute	clarinet	saxophone	trumpet	trombone	baritone	bells and snare

Please check here \_\_\_\_\_ if your child already plays an instrument. What instrument? \_\_\_\_\_

Once the band teacher receives this registration, he will get a hold of you and schedule a time to come in and try out the instruments that your child would like to try. A final decision will be made after this is completed.
