OUTSTANDING OPPORTUNITY FOR JUNIOR GIRLS!!!

The MN Department of the American Legion is hosting the 73rd annual Girls State event from June 9-15 at Bethel University in St. Paul. The Elk River American Legion Auxiliary Unit 112 is providing funding and seeking applications from ladies completing their junior year of high school this summer.

The purpose of this unique program is to:
- develop leadership and pride as American citizens;
- educate citizens about our system of government;
- instill a greater understanding of Americanism;
- stimulate a desire to maintain our democratic government processes.

This is achieved by establishing city, county and state government using mock campaigns, caucusing, debates, voting and parliamentary procedures. Other activities include a day at the Capitol, well known speakers, patriotic ceremonies, and a judicial court system.

If you think this is something you would be interested in and are available to attend the week of June 9-15, 2019, please see Lisa Boutain in the main office to sign up to receive further information. This is an awesome opportunity and looks GREAT on a college application!

We will be going on a traveling abroad experience for ten days to Germany, Czech Republic, Poland, Slovakia, and Hungary in June of 2021 to travel through the Iron Curtain, World War II and Gothic cathedrals and experience the history that still has a presence in today’s world. ERHS & ZHS will be taking 43 students to Eastern Europe to discover a different culture, navigate a new language, explore historical sites, all while developing the global perspective needed for success in today’s interconnected world. The trip will provide the students the opportunity to see Berlin, Dresden, Prague, Krakow, Slovakia, and Budapest which includes seeing the remains of the Berlin Wall, Checkpoint Charlie, St. Vitus Cathedral, Charles Bridge, Wawel Hill, Glowny Square, Auschwitz-Birkenau (concentration camps), Tatra Mountains and Hungarian Parliament in a safe and educational environment.
